Clinical Services

The **Okaloosa County Health Department** provides culturally sensitive services to meet the needs of our diverse community. This supportive environment assists our patients in taking an active role in their personal health promotion & health maintenance. On-site Spanish interpretation as well as telephonic interpretation is available.

***Client services are provided on a sliding fee scale.**

Ft Walton Beach: **850-833-9240**
Crestview: **850-689-7808**

Clinic Hours	FWB & Crestview
Mon, Wed, & Thurs:	7:30am - 4:30pm
Tues:	7:30am - 6:00pm
Fri:	7:30am - 3:00pm

Immunizations:

Immunizations are provided **free** of charge to children from birth - 18 years of age through the *Vaccines For Children* program (VFC). Before a child enters daycare or attends a public school, documentation of vaccinations must be provided.

Pregnancy Testing:

Confidential pregnancy diagnosis & counseling is available. With a positive test, women are screened for presumptive eligibility for Medicaid. Final determination is made by Department of Children and Families (DCF). Pregnancy Medicaid pays for prenatal visits & delivery.

Family Planning:

Effective family planning methods are available to men & women.

***Family Planning Waiver:** *Women who have had a baby within the last two years may be eligible for this program (Medicaid) which covers the cost of family planning visit.*

A family planning exam includes cervical screening and breast exam. The family planning clinic provides education, counseling, medical services, referrals and follow-up visits that will help people plan their family size.

Birth control is available to any person of childbearing age. Methods include: natural family planning, condoms, diaphragms, vaginal rings & film, birth control pills, intra-uterine devices (IUDs) and Depo Provera injections. There is no charge for birth control, only the office visit. **Limited access** to tubal ligations and vasectomies is provided.

Breast & Cervical Screenings:

Women who are 50-64 years of age, who have little or no health insurance, and who meet income guidelines can partake in this program. Mammograms & pap smears are performed in coordination with the *Florida Breast and Cervical Cancer Early Prevention Program* (FBCCP).

Sexually Transmitted Diseases:

Confidential diagnosis and treatment of sexually transmitted diseases (STDs), educational information, & counseling for disease prevention are available. Standard testing for STDs include: HIV, chlamydia, gonorrhea & syphilis.

Dental Clinic:

Dental services are provided to children ages 4-18, who are eligible for Medicaid. To schedule an appointment in the Crestview office, call: **850-689-5593.**

Services include: Exams, X-rays, Cleanings, Fillings, Fluoride Application, Sealants, Extractions, Oral Hygiene Instruction, Dental Emergencies

Dental Hours	Crestview Only
Mon, Wed, & Thurs:	7:30am - 4:30pm
Tues:	7:30am - 5:00pm
Fri:	7:30am - 3:00pm

Ryan White HIV/AIDS Services:

The Ryan White Part C program offers a primary care medical home, mental health counseling, nutritional education, and medication assistance for people living with HIV/AIDS. No one is denied services based on inability to pay. All services provided follow state and federal confidentiality laws. To contact the Ryan White program, call: **850-833-9240.**
